To whom it may concern,

My name is Sharon Hoaglin Schroeder, President and International Registry Administrator for Business Aircraft Title International Inc. I'd like to offer an introduction and recommendation of my friend and fellow aviation business owner, Kirby Totty of CTK Aero Technical.

Kirby and I have maintained a professional business relationship since the early 1980's, working together on literally dozens of aircraft escrow and title transfer/registration projects since that time. During the course of those many transactions, Kirby has never deviated from being truly professional and right on the money cooperating with me in the registration of his many clients' aircraft. He's easy and fun to work with, and his aviation knowledge is quite amazing. He truly cares and respects his clients but also goes out of his way with behind the scenes folks like me, to make an aircraft purchase or sale as pleasant as possible.

I give Kirby the highest marks. You'll be glad you selected him to help in the purchase of your aircraft.

Sincerely,

Sharon Hoaglin Schroeder
President
